Among those who are seriously challenged in this section are J. Those who see a counterimperial message in Paul understand the apostle in his Roman context in a more active way than those who do not. Christ is ultimately in charge, not Caesar. Specifically, Kim is interested in recent interpretations which suggest that For example he seems to suggest that scholars who argue that it would be counter-imperial for Paul to use titles for Jesus that were common for emperors e. The Lukan message is one where the diaabolical nature of the empire is recognized because every human system is fraught with evil but is nevertheless coupled with a willingness to cooperate with the Roman Empire and use its facilities However, such readings likely reflect a minority position. Chapter twelve includes a summary and conclusion. Some implications for the apostles deliberately seeking to subvert the Roman Empire as they preached the gospel?
