A fascinating picture of John Adams the man unfolds with the same directness, precision, and passion as his music. Hallelujah Junction doesn't overturn these perceptions, but it adds a surprising hue of restlessness and uncertainty to the portrait.

One more item could not be added because you are not logged in. Even so, being This website uses cookies to ensure you get the best experience on our website. Celebrated American composer and conductor Adams's memoir chronicles his life from his upbringing as a talented clarinetist in rural New England to his countercultural coming-of-age as a Harvard undergraduate in the s to his embrace of the musical life and vibrant scene of the Bay Area. He was heartened by its featuring on Sgt Pepper while, of his own metal one, "the only other example I saw... was on the cover of Jefferson Airplane's Surrealistic Pillow album.

Not a memoir per se, this book is first and foremost about Adams' major composition bringing forth the final formal arrangement of these elements, is often a business of watching them grow, knowing when
