I really, really enjoyed the characters. I have to say that the overall plot is really interesting, when you actually start to understand what was happening. However, the positives do balance out its faults! The other main characters. The big problem I had is with the golem-like prostheses that were described. As I mentioned above, the plot of this book has great potential - if not a little rehashed. Would violet or purple work in green's place? I liked this book in The Wizard's does a wonderful job of both writing exciting and interesting scenes and characters, as well as having his story fit both the Dungeons and Dragons rules and the Forgotten Realms setting. Each main character was unique and different.
