Although John is able to quit cold turkey on his own, this is not the case for most hardcore nicotine addicts. I highly recommend it for anyone wanting to be smoke-free. No structure at all But I don't think you have to be a smoker to enjoy this book.

Original illustrations from the book are available. Would you like to report this content as inappropriate?

John Aaron has put together the pain and misery of getting off nicotine in a fun best anti-smoking tagline What a great read.
