The mint of origin is generally accepted to be mostly Philadelphia, although identifying American Notes source mint is impossible without opening a mint pack also containing marked units. The Federal Reserve Note is the only type that remains in circulation since the s.

He is pretty brutal in his criticism of American customs, manners and ambitions. But did anyone else notice that in the midst of his knight errantry on behalf of the enslaved and impoverished, his treatment of women was rather problematic? I loved his humor in American Notes. In this capitalist jungle, he finds most people far too serious and puritanical, lacking humour and a wider perspective. Dickens actually talks about it. It is also important to note his impact upon the Victorian period.
