We're featuring millions of their irread ratings on our book page to help you consider this book because it doesn't reach to my interest that much but it is great as it talks about what The Mum-Minder 9 year old can take care of her mum by herself if Shaun my young brother could be a girl he could at least take care of mum when she's sick Shaun is sometimes lazy! In addition it highlights a single parent household situation where the father is not around but nana helps out The Mum-Minder.
