They are such sweet books! Stacey Benefiel is going to be a big deal and I for one am glad I get to go along for the ride! By the end of the book, I had revised my opinion of his likeability factors somewhat. Zellie and Avery are struggling to take their relationship to the next level while learning to adapt to Zellie's powers and their unique parenting situation. Discover how it all ends when Zellie and the gang finally track down Mildred and fight to right the wrongs of The Society's past, present and future. The Ocean Between Stars. Zellie Wells' life is changing. The story moves along quickly until the surprising conclusion. I think Zellie has been through so much already, but wow, Glimmer just puts her through so much .
