Regional seminars are held in conjunction with regional partners and are tailored to the specific objectives identified by the Perry Center, the partner institution, and the U. Throughout Tuesday's working group and plenary meetings, discussion was open and candid, with participation by all countries.

I commend Secretary Perry for hosting the event and I thank all those who participated. The adoption of a new policy of hemisphere defense did not change the Army's basic mission of protecting the continental United States against military attack. During the next few months, senior level officials from the U. Conversely, an American base there would permit a wide aerial reconnaissance. In early August President Roosevelt made a decision concerning the United States Marine Corps that had an important bearing

on subsequent Army preparations for defense. Congress in its enabling and appropriations acts of April and June provided the authorization and funds to permit the Army to embark on an expansion of its air arm to be completed by midsummer of.
