I had no idea what he meant. In order for a diaper to function correctly, it needs to be on right. When my daughter Scout recently passed the 3-months-old mark, I found myself reflecting on how smoothly adding her into the family has gone.

I have a half-baked theory that when parents and babies are together like this. The most important skill to have as a new dad if you wish to maintain your sanity is being able to calm your baby when she cries. I also practice my tactical breathing. This is partly a good thing—the emerging mother-baby relationship needs to be supported, and fathers can play an important role by mothering the mother.
