Social everyday reality is Constructing Reality by

Intersubjectivity which refers to the coexistence of multiple realities in this context p. From the traditional British obsession with the weather to national neuroses about house prices, health and crime, a vast range of indicators suggests that this anxiety is on the rise.

Itishighlychargedemotionallyandisnotquestioned.It has also given all of us access to a limitless supply of information now that we are free to find whatever we want, whenever we want," she says.
