Heart of the Sky: Watercolour is almost the very nature of  
landscape in itself, its own properties. Not to be aware of  
that which leads us "to injustice and to exploit the natural  
world and, indeed, each .

Widebrushes are used to pick up more than one colour or tone. In  
paintings such as Square Form we see him assembling forms and  
marks in a considered way. The back plane is black, so deep as  
to be almost luminous, and set against it we see most of what  
we take to be a bright red rectangle.

This is perhaps unsurprising, given that his artistic interests are couched  
in many respects the new series continues methods and images  
initiated in the Living in Arcadia series.
