Theory and History of Literature – University of Minnesota Press

The practice of literary theory became a profession in the 20th century, but it has historical roots that run as far back as ancient Greece.

The History of Literary Theory

Theory and History of Literature () is a landmark event in twentieth- century critical thought. Intended to stimulate research and encourage.

Indeed, American literary theory is in some ways best thought of as one is a matter of standard intellectual history: How has theory developed historically?.
