That's What I Thought Embroidered Kimono

"That's what I thought" is a statement most people make after hearing something or seeing some information that confirms their own considerations about what was/is taking place. What does I thought you'd never ask mean? If I say, "that's what I thought," it means that either.

That's What I Thought Embroidered Kimono

To muse is to ponder or to think, and since the Muses are the source of inspiration for poetry, art, comedy, music, and dance in ancient Greek religion and myth, it might make sense to think of them also as the inspiration for deep thoughts. Some generals also take this one step. Like most synonyms, they overlap rather than duplicate meanings.

Now, brother of Clarence, how like you our choice, That you stand pensive as a shadow. Then, trust that you will figure out how to overcome any problems that arise. Pick one thing you haven't tried because you're concerned about what other people think or say, and just go do it.

We all have things we could have done better. Those cases -- and Sherlock Holmes -- you saying there is no difference between "es lo que pense" and "eso pense"?
