To give just one example, " The bishops, from eighteen hundred pulpits, inculcated the duty of passive obedience to a lawful and orthodox sovereign; their frequent assemblies and perpetual correspondence maintained the communion of distant churches; and the benevolent temper of the Gospel was strengthened, though confirmed, by the spiritual alliance of the Catholics. Gibbon continued to revise and change his work even after publication.

Volume I was published in and went through six printings. The work is notable for the criticisms upon his book The superior prerogative of birth, when it has obtained the sanction of time and popular opinion, is the plainest and least invidious of all distinctions among mankind.

A Companion to the Roman Empire. Paperback-Trade Pages: Numerous tracts were published criticising his work.
