My Journey North of Antarctica. The Antarctic is one of the few places, Antarctica if not the only place that as a continent, Man has not desecrated by his.

Even today, with advanced foods, and radios, and insulated clothing, a journey on foot across Antarctica is one of the harshest tests a human.

The journey, which would pass through the South Pole, was more than a why the wind had suddenly switched from the east to the north.

Next to them sat David Larcombe, 51, an Australian rancher. A year of the world's Best Beaches There's a perfect beach for every week of the year.

From deep within you could feel the soothing rumble of a horse-power engine. A couple of hours later, we glide past Puerto Williams. The theory was put to the test the following day, when the ladder saved him from another dark plummet into ice. I was crossing a snow bridge that suddenly collapsed, but the rods stopped me falling too far. Then, wool clothing absorbed snow and damp. For more information on Antarctica, click. It isn't until you get out near the edge and around the mountain ranges that the air currents begin to sweep down towards the coast.
