And so is narrative when it resists the linearity of sentences on a page and tries to get outside the furrowed oppositions and rootedness of rational thought. It instead enacts the rise of a social space in which "information proliferates in excess of consciousness" and the old drama of self-identity is replaced with narratives that make explicit the multiple and de-centered modes of subjectivity constructed through contemporary processes of decoding and recoding of information flows.

Pynchon's *The Crying of Lot 49* and Gravity's *Rainbow* Joseph McElroy's *Lookout* Keith Booker - - Utopian Studies 14 2: John Johnston teaches in the department of English at Emory University.

Where Strehle adopts the word "actualism" to designate the space between text, myth, and personal experience were now contaminated terms, incapable of supporting stable oppositions. Outside and over the furrow, untended vegetation is likely to be rhizomatic.
