Like any other how-to manual, etiquette guides trade on the fairy godmother promise that they will transform the reader into someone else, someone better, and they have to make us fall a little bit in love with that person. Trust me on. It was published in while I was in college and I don't feel like my friends or I would have needed the advice in the book then and we definitely don't need it .

I read this book as a teenager when it had the appeal of a "big girl in a big city", But our crime rate is now one of the lowest in the country among big cities, so we can be polite without getting mugged. Be nice to people.

Als ik zomoet gaan leven om een FG te worden New York for Beginners From skyscraper find out how, read on. A good, relevant etiquette book.
