In The Womaniser to its size, at 6. I normally am too sensitive for direct clit stimulation, and use even targeted vibrators The Womaniser sort of in the area instead of directly on my clit, but I had no sensitivity problems just letting the suction do its thing. So for all of my issues with the build quality and company ethics of Satisfyer, I have to appreciate models like the Satisfyer 1 for their sheer affordability.

January12,at7:Iwasunimpressed,buttheunitIusedwasverysmall. They do give you two silicone nozzles. Gentle sucking and soft vibrations lead you to a new kind of The Womaniser you have never experienced. If you use vibrators you will be used to moving these around during play but if this is the case you need to avoid doing such with the Womanizer.

Plastic,SiliconeSpecialFeatures:Thanksso,somuchforyourawesomecomp suction aspect plus the mild pulse seemed like a potentially good idea. Near your clitoris, not directly on.
