Like Jasper Fforde's Tuesday Next books, it is set in an alternate England in which certain wars went another way than in real life. Cross posted at <http://>

The first two books are set in Britain in with Half a Crown taking place about the

The resonances with today's political scene are chilling, and the book's ending is very unsettling. I gave this four stars to start with, but – after some time has passed, and having listened to the ensuing two books, and just looking at the notes I made while listening to this one – I bumped it down to

. It's written like Trollope, and all the characters are dragons, worried about always be like. Lucy Kahn is a member of the Farthing Set by birth—daughter of Lord Eversley, one of the principal architects of the Peace.
