Leave a Reply Cancel reply Your email address will not be published. You can repeat this every few hours. There is anecdotal evidence that tea bags can lessen the pain. Fill a glass with hot but not scorching water. First, mash a garlic clove and add it to the tea bag. Many toothaches will require medical attention. However, you may find people backing away from you at parties – nosing on garlic is a classic cause of bad breath. These afflictions do not just disappear overnight. Not only can it kill harmful bacteria that caused dental plaque, but it can also do this, allow a used tea bag to cool down before applying it to the affected area. If this solution is ingested, it can cause stomach or intestinal problems, and if you do not mix in enough water, the hydrogen peroxide can burn your mouth.
