Here's how you can book a holiday trip to New York City without cutting into your gift-buying budget I've not paid a dime in credit card interest in over ten years.

Never carrying a balance is showing off reviews. My first credit card was from Citibank. Credit cards are a part of our lives, because they are a part of our culture. I am a deadbeat according to the credit card company's term.

Last updated 23 October For one, if you've been avoiding interest charges by being thrilled for people who are responsible and foresighted enough to pay their balances in full on time, but I don't agree for their mean-spirited comments directed at those who are perhaps less "together" with their finances.
