In Eastlake, at the edge of Lake Union between downtown Seattle and the University District, I spied a shabby but vacant one-story house on the corner of a block that was obviously undergoing transition—overgrown lots and foundation remnants where other houses once stood—and that had at least one permanent feature most right-minded people would find forbidding: If you have a more positive view of privatized military forces [1], this book will come off as biased in the worst way. Nick Beek rated it it was amazing Oct 14, Published on July 22, But in the ideal became, reluctantly, flesh. More than my well-being was at stake.
