Bourbon-Parma were deposed in December when Tuscany was annexed by France. Florence was a centre of medieval European trade and finance and one of the wealthiest cities of that era.

Archived from the original on 18 March. It currently houses several impressive works of art. Nearby is the Uffizi Gallery, one of the finest art museums in the world – founded on a large bequest from the last member of the Medici family. During the Renaissance, there were four kinds of musical patronage in the city with respect to both sacred and secular music: Explore the World Nelles Pocket: The Florentine merchant banking skills became recognised in Europe after the fall of the Republic of Venice – The growth of Northern Italian Cities in the 15th century likely contributed to its increased prominence.
