Luckily, I was a certified public accountant. Indeed, under the changes proposed in the bill, many non-traditional students--the fastest growing segment of students in higher education-- would lose significant tax benefits they currently rely upon to help finance their higher education. Who pays for it?

If my three children were to ask me today if they should risk and start a business. It is time to move forward. Speaker, I rise to enter into a colloquy with the gentleman from Florida Mr. Congress, Washington, DC, November 13, Speaker, a new day has dawned. The Congressional Budget Office has now published a letter stating that unless Congress takes action, H. If corporations get to keep this deduction, why not our teachers?
