In Mary Miller's first novel, a teenage girl and her fractured family travel cross-country in preparation for the rapture.

Mary Miller's first-rate debut novel delivers the answer with substantial wit "The Last Days of California" follows the Metcalfs, a God-fearing.

Mary U. Miller is an American fiction writer. She is the author of two collections of short stories entitled Big World and Always Happy Hour. Her debut novel entitled The Last Days of California was published by.

Still, it's a debut, and these are rough waters; all the good luck to the author in the future, which will hopefully bring on a longer and more developed book. My biggest fear was that things would go on forever and there would never be any end. Makes me think of my backpack trips in the US. I imagine my sister at nine, terrified. It takes a toll on all involved. Maybe I was only unattractive in Montgomery because everyone already had ideas about me. Mary Miller reinvents the classic American literary road-trip story, reviving a page seemed to contain an insight or joke that didn't pretend to be profound, but was instead an affirmation of one's own coming of age. Because that's what I .
