Analysis is far off in the future. Or they could think he was a spy. We welcome your thoughts and comments
At 14, Robey Childs is on the cusp of manhood when he sets off from the family farm. The novel moves at a *Coal Black Horse* that carries the reader along, at times with dizzying swiftness that we and the novel's protagonist wish we could stop. I guess this is truly the "coming of age" concept - but how realistic can a coming of age be for this child at age fourteen? A cameo appearance by two women sitting on a porch after the battle of Gettysburg being just such an example.
But not far from home, his horse falters and here realizes the enormity of his task. His new work after *Stay Here with Me* is a convulsive, bloody Civil War tale that tracks a boy's search for his father on the battlefield at Gettysburg. She and Robey cannot disconnect, and we know their lives are as good as yoked, no matter how long it takes.
