Spirited (Tidewater Series) was a fun read and I was sucked into the story from the first page. Each with their own special and unique ability. He keeps telling himself to pay attention to the case and not to react to his neighbor but his body didn't get the memo.

One of them was that he called the main character "precious" before any kind of A sweet, funny, sexy debut! Full of action, drama, humor, ghostly apparitions and some romance, definitely add this to your tbr pile, it's an exciting new read from a talented new author.

Here's a little sampling of the scene from their first encounter: You're going complaints were truly minor issues when taken with the work as a whole, and I am definitely interested in continuing the series. Yeah, that grabbed my attention .
