Popular culture -- United States -- History -- 20th century.
Deftly melding ethnography, cultural history, literary criticism, and autobiographical reflection, A Feeling for Books is at once an engaging study of the Book-of-the-Month Club's influential role and Middle-Class Desire a cultural institution and a profoundly personal meditation about the experience of reading. Be the first to discover new talent!

In the service of the general reader. This had a whole lot of

essays that said a whole lot of nothing for pages and pages.
