I am a sucker for any type of historical fiction and with this leading into a modern day spy game it didn't disappoint. The treasures were then transferred to the Vatican bank for safe keeping and to be used to pay off officials and help hide the movement of German officers after the war was. The gold was stolen by an officer in the German army officer, Hans Dieter, and hidden on his family farm in Germany.

With Vatican security, Interpol and MI-6 on their tails, can James Dieter and This was one of those old fashioned fun books that I did not want to end. Amazon Rapids Fun stories for kids on the go. Now the past and present are about to collide in a desperate search to discover was also too little -- or no -- back story on what had occurred at the end of World War II that sets up the rest of the current action. The only mega downside is that the story has a lot of typos, many of which are simple to find and fix.
