There is a HEA at the end. In my opinion, this book is about life - communication, marriage, divorce, aging parents. To ask other readers questions about Love, Carry My Bags please sign up. Learn People don't write letters anymore! Simply put, this is a good read and will not disappoint you. You Got to Keep Reading It. The story was realistic at times and can hit close to home for a lot of readers. The third part takes us into her midlife and how she really discovers who she is and what she wants. I loved Megan's character.
