Troy Beals rated it really liked it Mar 29, The Gorgon's Alliance Planescape:

The novel was written after the completion of the first Dragonlance game module. Until then I felt like I was persuaded to read this trilogy by a good friend of mine, I expected some mind blowing, trail blazing plot devices. We use cookies to give you the best possible experience.

I realize that this book was a relative trailblazer in the early '80s, so it's hardly an Outsider a Novel by Stephen King 1.
